Black Wooden Boards Wallpaper

Black boards are the epitome of style and anyone who enjoys movies will have seen them many times adorning the walls of cool New York lofts and apartments. Now you can bring the chic look of Interior wall cladding into your own home without having to even look at a nail or a hammer, thanks to this unique and visually black wooden boards wallpaper. This timber wallpaper is so realistic you could be forgiven for thinking you would get a splinter in your hand when hanging it! Speaking of which, the realism of the black wallpaper makes it incredibly tactile as many a person will feel the need to run their hands across it.
