

TIFF MANUELL

# Daphne Mural

Daphne is a beautiful abstract floral wallpaper painted intentionally for the lover of pretty feminine colours. It has a beautiful playful range of background textures which give the design depth but without weight. The flowers hover above, almost floating airily over the wall space. It's a whimsical painting constructed from scraping techniques, fluid drips and strokes of loose paint using a range of fan brushes. Daphne has a stunning modern colour palette perfect for blending with light woods and neutral textiles.

*Designed as panels that are 330cm high x 61.5cm wide. Each roll comes with 3 panels.* When calculating the quantity required. Simply divide your wall width by the panel width. For example. 3.6m wide / 61.5cm = 5.8 drops ≈ 6 Panels: 2 Rolls.
