

COMMERCIAL VINYL

Facet Vinyl Wallpaper

Facet is a bold exploration of shape and structure, where geometry meets artistry in a modern tapestry of angles, half shapes and pixel-like fragments. Reminiscent of a deconstructed Tetris grid wrapped in a woven blanket, this design plays with dimension and repetition to create a dynamic, layered surface.

Each colorway is built from tonal variations of a single hue, adding subtle depth and movement that draws the eye across the wall. The composition – part cubist, part digital mosaic – echoes a Picasso-esque sensibility, reimagined for today's urban interiors.

Striking yet versatile, Facet brings energy and sophistication to creative workspaces, hospitality settings and statement walls in commercial environments that embrace modern edge with artistic flair.

BATCHING & DELIVERY

- **Note:** Samples of this vinyl are provided for review of the material, pattern scale and print technique – they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallpaper may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.

ADDITIONAL INFO

Milton & King's **commercial-grade wallcoverings** are crafted to deliver exceptional durability, style, and high-performance results for a wide range of interior applications. Engineered to meet the demands of large-scale installations, they combine superior print quality with reliable on-site performance.

Our standard offering features a **Type II vinyl wallcovering with a non-woven backing**, designed for ease of installation and long-term durability. Osnaburg fabric backing is also available upon request to meet specific project requirements.

CERTIFIED TO THE HIGHEST STANDARDS

Our commercial wallcoverings with non-woven backing are rigorously tested and exceed leading global standards for safety, durability, and performance.

- **Type II Commercial Grade** | Meets **GSA Federal Specification CCC-W-408D** for Type II wallcoverings
 - **Fire Rated** | Certified **Class A** under **ASTM E-84 Tunnel Test**
(Flame Spread Index: 5, Smoke Developed Index: 30)
 - **European Fire Classification** | **EN 13501-1: B-s1,d0** certified
 - **Mold and Mildew Resistant** | Passes **ASTM G21** for anti-microbial performance
 - **Low VOC Emissions** | Meets **California CDPH Standard Method v1.2 / CA 01350** (TVOC < 0.5 mg/m³ in offices, classrooms, and homes)
-

ENVIRONMENTALLY CONSCIOUS & LEED CONTRIBUTING

Our vinyl wallcoverings contribute to LEED v4 certification and align with key sustainability and environmental health criteria.

- **MR Credit 6** – Rapidly Renewable Materials
 - **IEQ Credit 4.1** – Low-Emitting Adhesives (when used with approved primers and adhesives)
 - **IEQ Credit 4.6** – Compliant ceiling and wall systems
 - **NSF/ANSI 342 Sustainability Certified**
 - **Prop 65 Compliant**, Phthalate-Free, and made without brominated flame retardants
-

BUILT FOR DEMANDING COMMERCIAL SPACES

Engineered for high-traffic and hygiene-sensitive environments, our vinyl wallcoverings deliver proven performance across a wide range of demanding commercial spaces.

- Healthcare and hospitals
- Hospitality and resorts
- Education facilities

- Retail and commercial corridors
- Residential interiors
- Airports, cruise ships, and transportation hubs

Milton & King's distinctive designs—celebrated for timeless style and high-definition detail—are now available in a commercial-grade format. Each wallcovering is crafted with care, engineered for longevity, and produced to meet the performance demands of today's most dynamic interiors.
