

MILTON & KING STUDIO

# Heavenly Decorative Textile Wallpaper

Heavenly Decorative Textile Wallpaper captures the ethereal beauty of an open sky, with cloud formations that drift gently across your walls. Designed as a two-roll set, its large-scale layout creates a sense of expansiveness and awe. Whether you choose soft dawn pastels or rich twilight hues, the addition of decorative textile texture lends softness and calm, transforming bedrooms, nurseries, or meditative spaces into peaceful sanctuaries.

*Manufactured as a double width design (set) requiring 2 rolls, A+B to complete the horizontal repeat. One set is equivalent to 132 sq.ft or (12 sqm).*

## WEIGHT

ROLL DIMENSIONS 24" (61.5cm) x 33ft (10.05m)

PATTERN REPEAT 48" (123cm)

PATTERN MATCH Straight Match

FINISH Matte

CLEANABILITY Spongeable

USAGE Domestic & Commercial

APPLICATION Paste The Paper

REMOVAL Wet Removal

LIGHTFAST RATING Good Lightfastness

## SUSTAINABILITY

- **Cellulose-Based Construction:** This wallcovering is made with a cellulose fiber substrate (40–70%), a renewable and plant-derived material that supports more sustainable sourcing practices compared to purely synthetic alternatives.
- **Low VOC Composition:** The product includes acrylic latex and processing agents, and it meets flame resistance standards including ASTM E 84 Class A. While not specifically labeled as low-VOC, acrylic-saturated papers are typically compatible with low-emission adhesives and coatings, supporting better indoor air quality when installed with water-based systems.
- **No PVC Content:** This wallpaper does not list any use of polyvinyl chloride (PVC), a material commonly found in traditional vinyl wallcoverings. The absence of PVC helps reduce reliance on harmful synthetic materials and lowers environmental toxicity during manufacturing and disposal.
- **Lightweight and Durable:** At 166 g/m<sup>2</sup>, this wallcovering offers a balance between durability and efficient use of raw materials. Its composition allows it to meet demanding flame, chemical, and lightfastness standards, extending product lifespan and reducing the need for frequent replacements.
- **Cleanability and Maintenance:** Designed to be washable with a soft sponge or vacuum, it minimizes the need for harsh cleaning chemicals that can harm indoor air quality and the environment.

## BATCHING & DELIVERY

- **Note:** Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for color matching purposes. There can be slight shifts in color between runs, so your wallcovering may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match. Industry leading production times on all orders.
