Ply Wood Wallpaper

Does the versatility of plywood have no limit? Affordable, lightweight, and versatile, plywood has become a favorite choice for designers looking to bring ample warmth and personality to a space without breaking the budget. An engineered wood, plywood is beloved for being a budget-friendly and eco-conscious choice. This exposed ply wood wallpaper is the perfect alternative to the real thing. Create a stunning yet honest and humble plywood-lined interior (grain and knots included). No need for any carpentry skills or power tools, simply apply this easy to install ply wood wallpaper to your walls. It can be installed either horizontally or vertically. It is perfect for funky café walls or an easy, lightweight alternative for the ceiling.

ADDITIONAL INFO

At Milton & King we have a huge range of designer wallpapers for you to choose from whether you're decorating your living room, bedroom, bathroom or commercial space we will have a wallpaper to suit your style.

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.
- Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- Spongeable – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents)
- Durable – Milton & King's easy to install wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- Roll Size – 24" wide x 33' long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
