MILTON & KING STUDIO

Willow Wood Wallpaper

Willow Wood is a toile inspired woodland wallpaper influenced by the intricate storytelling of 17th century Jacobean embroidery. Hand painted trees, winding foliage and woodland details unfold across the design, creating an illustrative pattern with a gentle storybook character.

Painted with an intentionally imperfect hand, the design sits over a soft textile inspired texture that echoes the look of embroidered fabric. This layered approach brings depth and richness to the wall while celebrating the decorative traditions of heritage craft.
